Spring at Last!

For most of us, the start of spring means it is time to again think about paddling. (Some never stop for cold weather!) Spring means time to get out your gear and head for the pool sessions to make sure that your skills are what you need them to be in an emergency! Sign up! It is a great value when we share the rent, and a great opportunity!

This month, come to the club meeting on the 15th at hear about getting ready with your gear!

In April, we have our regular trip planning meeting. Without this event, our calendar would be hit or miss, so come and connect with others who want to go out on the water. Paddle with friends! Come to the meeting and plan your excursions!

Member List

We will be emailing the member list to those members for whom we have an address. If you do not get the list, whether it be because your email address has not been updated, or because you do not get email, please let us know and we will mail it to you.

Membership Meeting

March membership meeting. Scott Shea, Owner of Seaspray Kayaking of Brunswick, and President of MASKGI, will speak on the subject of: How to tune up your kayak for spring and prepare for everything from touring, to surf kayaking and kayak fishing.

For those of you who may not know, SMSKN has an excellent lending library of kayaking-related books and videos which are available at every meeting for SMSKN members to check out. Come and browse our titles new and old!

As usual, some of us will be stopping at Ricetta's Pizzeria at 5:30 pm for dinner before the meeting; please join us. Ricetta's is in the Shops at Falmouth Village shopping center (look for Staples.) The Falmouth Memorial Library, where we are meeting, is at the corner of Depot & Lunt
